- ✓ **Energy efficient, low operating cost**
- ✓ **Suitable for all pool interiors**
- ✓ **In built filter reduces water & chemical consumption**
- ✓ **Programmable to suit virtually every pool configuration**
- ✓ **Plug and Play**

Jetstream Pool Cleaner

The Jetstream Pool Cleaner provides highly reliable pool cleaning that saves you time and money. Incorporating its own highly efficient filter, it reduces the load on your filtration system, skimmer and pump baskets, reducing the frequency of filter cleaning and maintenance on your pool. This saves expensive pool chemicals, and expensive water top ups. Ideal for use in conjunction with energy efficient variable speed pumps, the JetStream Cleaner increases the circulation of your pool with its 300 litres per minute flow rate and using only 180 watts/hour.

- Suitable for:** In ground and above ground pools to 12m long/Any surface or configuration
- Operating Time:** Fully customisable from 1 to 3 hours
- Filtration:** Self contained, reusable 22 litre bag, down to 2 microns
- Flow Rate:** 18,200 litres per hour
- Pump Motor:** Brushless, individually sealed, water cooled with heat-dissipating and lubricating oil for longer motor life.
- Cable:** 15m non chlorine corroding Kevlar
- Voltage:** 240V/50hz input, 24 VDC output
- Warranty:** Limited 2 year in field warranty.
