SLX User Manual – Quick Start Guide

For a complete manual describing how to use all the features of your SLX light, please go to the AstralPool website (www.astralpool.com.au) and navigate to the SLX product page.

Your SLX Multicolour lights allow you to control the colour of the light they emit. You may choose from:

- A series of pre-set colours;
- Three levels of light intensity;
- A customised colour completely of your choosing;
- A customised changing light pattern; or,
- A series of pre-set changing light patterns.

The available colours and pattern (in order of selection) are:

- | | |
|------------|-----------------------|
| 1. Blue | 7. White |
| 2. Magenta | 8. Customised colour |
| 3. Red | 9. Customised pattern |
| 4. Orange | 10. Rainbow pattern |
| 5. Green | 11. Ocean pattern |
| 6. Aqua | 12. Disco pattern |

The lights are fully controlled and configured using only the power switch. By using either an OFF-ON or OFF-ON-OFF-ON sequence, you can set up the lights exactly as you desire. The two sequences are referred to as a *single switch* or *double switch* sequence respectively.

To perform a *single switch* sequence:

- With the light powered ON, switch power OFF and ON again. Make sure that the light is OFF for less than two seconds.

To perform a *double switch* sequence:

- With the light powered ON, perform two *single switches* in a row (OFF-ON-OFF-ON). Make sure that both single switches occur within two seconds.

To turn the lights on

Simply switch the main power ON. The lights will resume in the same colour/pattern as was operating when last powered.

To turn the lights off

Simply switch the main power OFF. The lights will remember which colour/pattern they are displaying for next time.

To synchronise the lights

If you have multiple lights, you would normally want them showing the same colour or pattern. If for some reason your lights are showing different colours or patterns, you will need to synchronise them.

To synchronise your lights:

1. Turn off main power and wait for at least three seconds.
2. Turn the lights on, then within two seconds, perform a *double switch* sequence.

To change the selected colour/pattern

The colour/pattern of the light can be moved to the next item in the list by following these steps:

1. Wait at least three seconds after turning the lights on before changing the selected colour/pattern, otherwise a “synchronise” operation will be performed instead.
2. Perform a *double switch* sequence and the light will move to the next colour/pattern.

3. If this is still not the desired colour/pattern, perform a *single switch* sequence within ten seconds of the previous sequence.
4. You can continue to move the selection by performing repeated *single switch* sequences. When you are happy with your selection, simply leave the lights powered on.
5. If more than ten seconds has elapsed since your last *single switch* sequence, you will need to start again with a *double switch* sequence. This initial *double switch* prevents occasional dips in the mains power from changing the selection accidentally.

WARRANTY

AstralPool Australia Pty Ltd (ABN 97 007 284 504) ("AstralPool") provides the following warranty in relation to the SLX series underwater lights("Product").

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

The benefits of this warranty are in addition to any rights and remedies imposed by Australian State and Federal legislation that cannot be excluded. Nothing in this warranty is to be interpreted as excluding, restricting or modifying any State or Federal legislation applicable to the supply of goods and services which cannot be excluded, restricted or modified.

WARRANTY

AstralPool warrants that, subject to the exclusions and limitations below, the Product will be free from defects in materials and workmanship during the warranty period. The warranty periods are set out below and commence 30 days after the date of purchase (to allow for installation). The warranty period may vary for different parts of the Product.

Parts	Warranty Period
Plastic moulded parts - Light, niche and other	5 years
SLX Lighting Transformer and/or lamp	1 year

If a defect appears in the Product before the end of the warranty period and AstralPool finds the Product to be defective in materials or workmanship, AstralPool will, in its sole discretion, either:

- (a) replace or repair the Product or the defective part of the Product free of charge; or
- (b) Cause the Product or the defective part of the Product to be replaced or repaired by an Authorised AstralPool Service Agent free of charge.

AstralPool reserves the right to replace defective parts of the Product with parts and components of similar quality, grade and composition where an identical part or component is not available.

Goods presented for repair may be replaced by refurbished goods of the same type rather than being repaired. Refurbished parts may be used to repair the goods.

WARRANTY CLAIMS

1. If a fault covered by warranty occurs, the customer must first contact AstralPool at the contact address listed below, or an Authorised AstralPool Service Agent.
2. Any warranty claim must be accompanied by:
 - (a) proof of purchase;
 - (b) full details of the alleged defect; and
 - (c) appropriate documentation (such as historical and maintenance records).
3. The customer must make the Product available to AstralPool or its Authorised AstralPool Service Agent for inspection and testing. AstralPool or its Authorised AstralPool Service Agent will attend the premises where the Product is installed for inspection and testing. If the Product is installed:
 - (a) outside a capital city metropolitan area; and
 - (b) is not within a 20 km radius of an Authorised AstralPool Service Agent;
 then the customer may have to pay a travel fee.

4. If such inspection and testing finds no defect in the Product, the customer must pay AstralPool's usual costs of service work and testing. If such inspection and testing finds a defect that is not covered by this warranty, the customer must pay AstralPool's usual costs of service work plus any parts and labour required to repair the Product, unless recoverable from AstralPool on the failure of any statutory guarantee under the ACL.

Exclusions

The warranty will not apply where:

- (a) the customer is in breach of the Terms and Conditions of Sale;
- (b) the Product was used for a purpose other than one it was intended for;
- (c) the Product was repaired, modified or altered by any person other than AstralPool;
- (d) the Product has not been installed, maintained and/or operated in complete compliance with the installation and operating instructions and any instructions by AstralPool;
- (e) the Product has been subject to accident, negligence, alteration, abuse or misuse.

The warranty does not extend to:

- a) normal wear and tear;
- b) weather and other environmental conditions including but not limited to storm, flood, and/or heat wave damage; or
- c) service and maintenance items.

Examples of exclusions include but are not limited to:

- Operation of light out of water
- Use of non-AstralPool power supply

Commercial Installations

On commercial installations, such as health clubs, motels/hotels and hydrotherapy facilities, the warranty is limited to parts and in field labour (within capital city metropolitan areas or 20 km radius of Authorised AstralPool Service Agents) for a period of 12 months from the date of purchase plus 30 days to allow for installation.

LIMITATIONS

AstralPool makes no express warranties or representations other than set out in this warranty.

The repair or replacement of the Product or part of the Product is the absolute limit of AstralPool's liability under this express warranty.
