Anaconda Pool Cleaner

Anaconda Pool Cleaner

*12 Months Warranty on internals*

RAINBOW POOL PRODUCTS PTY LTD

## SPECIFICATIONS

### Anaconda Pool Cleaner

**Description:**

Anaconda can be installed in minutes without any tools and requires no alteration to your pool. It can be adopted to flat-bottomed or sloped pools and can be used in above ground pools. It is connected directly to the skimmer or the suction line. It works by suction with no need of electricity using the existing filtration system (67 LPM minimum). It is supplied with a 10 m special hose for greater efficiency. It is a cleaner and also a mobile main drain. It is supplied with a pressure regulator to ensure constant flow.

**Ordering:**

Please specify product number when ordering.

**Warranty Guide:**

12 months internals. Refer to instructions for full warranty details
