VIRON BLDC HIGH EFFICIENCY PUMP

Code	Description	
11481	Viron BLDC High Efficiency Pump P300	3 Year Warranty

SPECIFICATIONS

Viron BLDC High Efficiency Pump

Description:

Patented BLDC variable speed motor and pump. High efficiency design saves up to \$260.00 per year on operating costs. Easy motor speed selection allows ideal flow rate for various functions of pool pump – filtering, backwashing, vacuuming, spa jet operation. Near silent operation on filter speed.

Ordering:

One model only with flow rate of 280 litres per minute @ 8 metre head

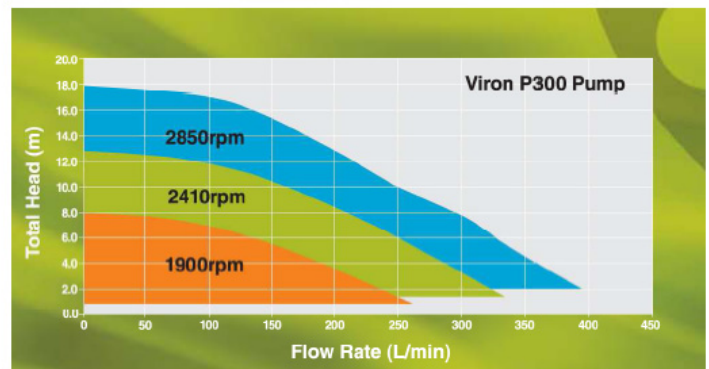

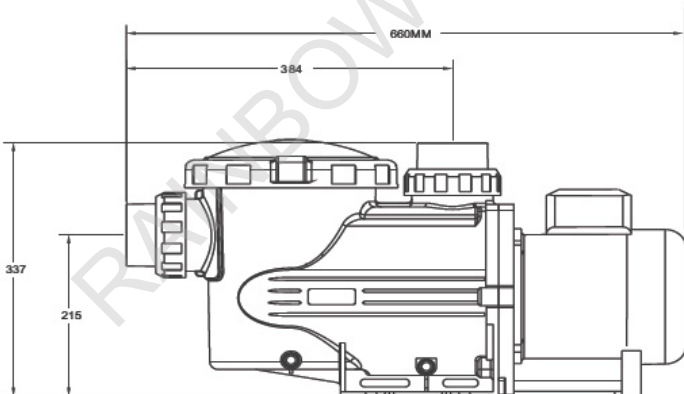

Warranty:

3 year warranty on motor and wet end against defects in materials and manufacture. Refer to instructions and website for full warranty details
