

ONGA SEABASS AQUACULTURE PUMPS

Code	Description	V-Ø-Hz	kW
SB730100	SEABASS 7 - Aquaculture Specific Pump	230-1-50	0.75
SB930100	SEABASS 9 - Aquaculture Specific Pump	230-1-50	0.9
SB1100100	SEABASS 11 - Aquaculture Specific Pump	230-1-50	1.1
SB1108100	SEABASS 11 - Aquaculture Specific Pump 3PH	400-3-50	1.1
SB1500100	SEABASS 15 - Aquaculture Specific Pump	230-1-50	1.5
SB1508100	SEABASS 15 - Aquaculture Specific Pump 3PH	400-3-50	1.5
SB2201100	SEABASS 22 - Aquaculture Specific Pump	230-1-50	2.2
SB2208100	SEABASS 22 - Aquaculture Specific Pump 3PH	400-3-50	2.2

Suction & Discharge Unions to suit 50mm UPVC pipe

SeaBass Range Performance

Sea Base Range features

Salt water seal	Resists leaking with corrosive sea water
Stainless Steel Shaft	Corrosion protection
Triple epoxy coated motor	External corrosion protection in corrosive environments
Continuously rated motor	Suited for more than 8 hours day
High efficiency pump components	Lower running costs
Tall pump stand	Protects your pump from corrosive standing water
