ONGA JS JET ASSISTED PUMP

Code

Description

JS100

Stainless case jet pump with moulded internals

JS110

Stainless case jet pump with moulded internals

JS120

Stainless case jet pump with moulded internals

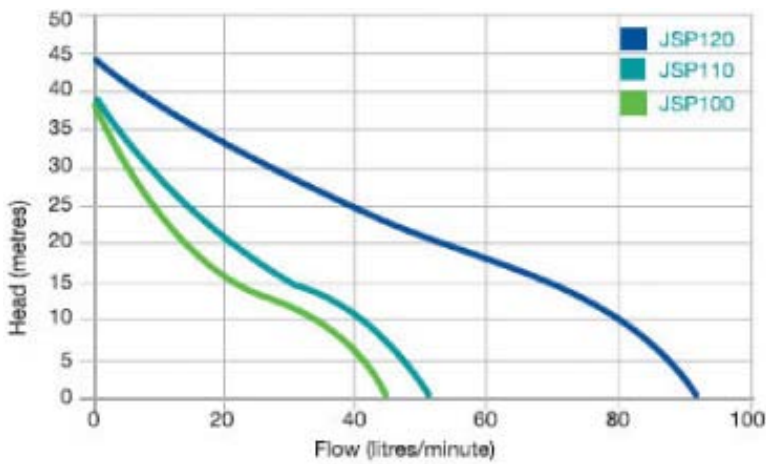

FEATURES

Equipped with Presscontrol electronic pressure control. The JS range is designed for situations requiring strong, constant pressure. These pumps also have stainless steel casing and precision-moulded internals. Ideal for automatic, constant pressure household water supply, especially with high suction lift.

JS RANGE ADDITIONAL FEATURES

Constant pressure	Great pressure for showers & appliances
Loss of prime protection	Protects pump against dry running time

JS RANGE PERFORMANCE

Disclaimers Every endeavour has been made to publish the correct details in this leaflet. No responsibility will be taken for errors, omissions or changes in product specifications. All performance data taken at sea level.

JS RANGE DATA

Model Number	WATTS	Operating Pressure (kPA)	Suction Depth (Metres) Capacity (Litres per Min)						Port Size (BSP)	
			0	1.5	3.0	4.6	6.1	7.6	Suction	Discharge
