

'Lil Shark™

Aboveground Pool Cleaner

by Pentair Water Pool and Spa®

Scouring the depths for dirt

Dirt can't escape the jaws of the 'Lil Shark™' aboveground pool cleaner. This hungry guy will take over maintenance chores, so you can spend more time enjoying your pool. The 'Lil Shark will be on the prowl searching out large and small debris.

Unlike other cleaners, this guy scrubs and vacuums. The unique vortex chamber design has only one moving part, ensuring superior performance and years of reliable service.

- Dual band of bristles scrub dirt while powerful vacuum action whisks it away.
- Cuts a wide 25.4cm path for quick cleaning.
- Five adjustable cleaning paths for complete coverage of any size or shape aboveground pool.
- Vortex chamber features single moving part, a design built for years of dependable service.
- No assembly required, just hook to hose and go.

Take a big bite out of pool maintenance with the 'Lil Shark' automatic cleaner from Pentair Water Pool and Spa®.

'Lil Shark™ Aboveground Pool Cleaner

The bottom line

The 'Lil Shark is ideal for flat- or dish-bottom, vinyl-lined aboveground pools.

Spot clean-ups

Exclusive UniDapt™ telepole adapter allows you to manually direct the cleaner to stubborn spots.

A clean sweep

Bristle brush design easily loosens dirt and grime from pool surfaces.

Big appetite

25.4cm cleaning path makes quick work of cleaning.

Dirt disappears fast

The 'Lil Shark™ is certainly the "big fish" in the underwater world of aboveground pool cleaners. With its two way cleaning action, this voracious predator is fast and effective at removing the toughest grime. His appetite is truly awesome!

Runs rings around other cleaners

The unique brush ring adjuster controls the shape of the cleaning path and can be fine-tuned to ensure thorough coverage of your pool. Five-position adjuster sets the travel pattern from tight to large circles.

Doubles up on dirt

Two rings of sturdy nylon bristles relentlessly scrub away at those tough spots other cleaners leave behind.

Built for a long life

The unique vortex chamber features a single moving part, which ensures the 'Lil Shark will be cleaning your pool for years to come.

Fast, easy set-up

Simply remove the 'Lil Shark from the box, attach the hose, place him in the water and you're ready to relax.

Ready for action

The 'Lil Shark comes fully equipped for immediate use. Also includes the exclusive UniDapt™ telepole adapter for spot clean-ups.

One-year limited warranty. See warranty for details.
