

ONGA HAMMER HEAD POOL CLEANER

Code	Description
K0720	Hammerhead Pool Cleaner

Warranty - 2 year limited

RAINBOW POOL PRODUCTS PTY LTD

FEATURES

The Hammer Head™ pool cleaner shares many of the design features of the Hammer Head® pool cleaner, the most popular automatic suction-side vacuum in history. Then we added performance features to make Hammer Head relentless in its pursuit of dirt and debris, while keeping it affordable and sensationally dependable. Hammer Head features a new, patented silent flapper design. This sole operational moving part creates the kinetic energy that powers Hammer Head around your pool. Elegantly simple and highly reliable, this dependable design has been proven in more than 2 million pools worldwide.

Specially designed slots and curved “fingers” climb over obstructions so Hammer Head keeps performing - unattended and without interruption.

Features

Superior vacuum power

Silent flapper

Patented seal design

Built in bumper

Specially designed slot and curved fingers

Benefits

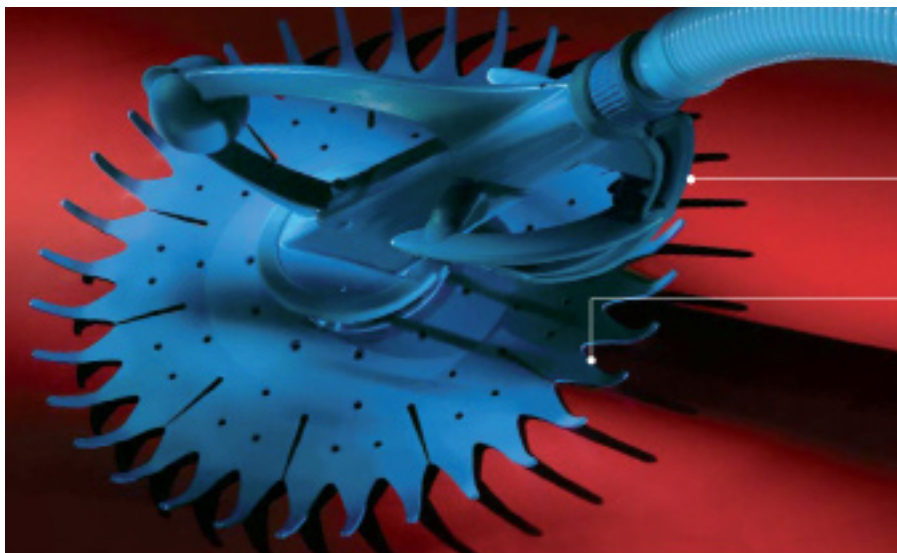

Superior vacuum power and extra-wide mouth capture large and small debris with ease.

Silent flapper design provides quiet cleaning performance.

Patented seal design includes specially engineered slots and “fingers” to assure the unit won’t get stuck or thrown off course by main drains, tight corners, eyeball fittings, and lights.

Built-in Bumper assures free movement around steps and ladders for total cleaning coverage and uninterrupted, hands-free operation.

Specially designed slots and curved “fingers” climb over obstructions so Hammer Head keeps performing - unattended and without interruption.

- Connects to your skimmer or vacuum line fitting in minutes without tools.

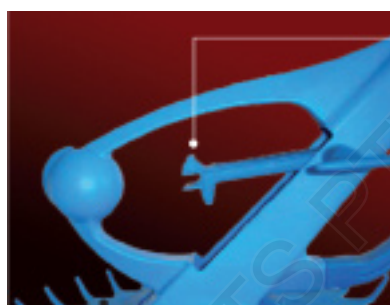

Built-in bumper ensures freedom of movement around steps, ladders and other obstacles.

Patented seal design with slots and curved “fingers” navigate over and around pool obstacle for total coverage and uninterrupted performance.

Supremely simple and relentless in the pursuit of dirt and debris

The Hammer Head™ pool cleaner is the ultimate in carefree operation. It comes fully assembled. Just add the seal and connect the hoses. No tools required and you're on Kruse control in minutes. It even comes with a free flow gauge and adjustable speed control to ensure optimum performance. Also consider these other hands-free and reliability features:

- No bags or compartments to empty or replace....dirt and debris go right to your filtration equipment....where they belong.
- No wheels or gears to jam or diaphragms to replace.
- No expensive booster pump to buy and operate....it uses your pool's existing filtration system.
- Only one operational moving part....only 8 parts in total.
- All parts are UV stable and chemical resistant for years of dependable service.
- Sleek, compact design increases maneuverability for best cleaning performance
- Backed by the largest pool equipment company in the world.
- Two-year limited warranty.

Flapper - the only moving part in Hammer Head's simple and dependable propulsion system - and only 8 parts in total.
