Inground Pool Cleaner

By Pentair Water Pool and Spa®

Better tracking for faster, more reliable cleaning

When you want your pool cleaned quickly and completely, count on Legend® inground pool cleaner. A host of design features combine to keep Legend on the move, thoroughly cleaning most pools in just 1 to 3 hours.

- Independent booster pump provides optimum cleaning power and unimpeded surface skimming.
- Front-wheel drive generates maximum traction on inclined surfaces for total coverage of pool bottom and walls.
- 4-wheel design and wide base prevent tipping (common with 3-wheel cleaners) for uninterrupted performance.
- Unique debris channel and large intake throat handle leaves, twigs, and other large debris with ease.
- 60% larger debris bag captures more dirt; wider bag opening makes emptying a cinch and new snap-lock bag provides easy, secure bag closure.

Sleek new design features a 60% larger debris bag for greater debris collection capacity.

Legend® Inground Pool Cleaner

Large capacity, heavy-duty collection bag...remove and replace with a quick twist

Just as with cars, front-wheel drive creates better grip for better maneuverability and sure tracking for fast and thorough cleaning performance

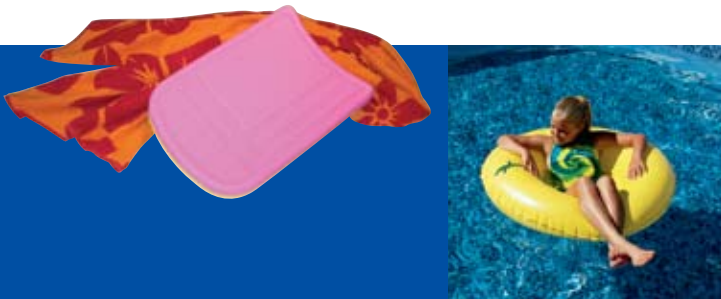

With Legend, automatic means automatic

There's no fuss with Legend® inground pool cleaner: Install it, set it on its way, then sit back and watch it clean your pool from the tile line to the pool bottom.

- Heavy-duty, large capacity collection bag means you empty less often – twist-lock design makes it easy to remove and replace.
- Built-in back-up valve activates every 3.5 minutes to assure total pool coverage and avoid hang-ups by steps and corners.
- Built-in pressure relief valve regulates water flow and assures consistent travel speed for optimum cleaning performance.
- It's backed by the largest pool equipment company in the world. Have a question? Just contact our toll-free customer help line for fast assistance. Live technical experts are there to help you in the U.S. and Canada.
- One-year limited warranty. See warranty for details.
