

# BRITESTREAM

MULTICOLOURED LED LIGHT

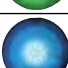

Britestream Multicoloured LED light can produce a multitude of different colours without the need for coloured lenses. The light's multicoloured combinations are easily programmed via its light switch.

Britestream LED Light utilises energy efficient super bright LED's and operates on only 15 watts of energy.

- Energy saving - operates on 15% of the electrical power of a halogen light
- Long life span of over 70,000 hours
- Universal light adaptor and easy to use retrofit connector

The BriteStream Multicoloured LED light is cleverly designed with a built in colour memory, which means that the light's multicoloured LED's will simply default to its last colour selection. Nine different colour programs are available:

SWITCH SEQ NO	COLOURS & MODES SELECTION	
1	WHITE	
2	SLOW CHANGING COLOURS - 20 SECOND RAMPING	
3	FAST CHANGING COLOURS - 5 SECOND RAMPING	
4	BLUE	
5	MAGENTA	
6	RED	
7	YELLOW - GREEN (GOLD)	
8	GREEN	
9	AQUA	

**Innovative Lens**  
Its innovative polycarbonate lens cools the LED's and provides a uniform diffusion of light.

**Slotted Rims**  
Assists heat dissipation, as well as permitting water circulation.

**Super Bright**  
Super bright energy saving LED's, which operate on only 15 watts of energy, which is 15% of the electrical power of a halogen light.

**Long Life**  
BriteStream LED has a life span of over 70,000 hours, which is equivalent to over 30 years of illumination. (Based on 6 hours usage per day).

**Built-in Heat Management**  
The LED's heat output is automatically managed by its electronic circuitry.

**Superior Construction**  
BriteStream's LED's are totally enclosed in a waterproof Polycarbonate housing.

**Pool Cleaner Shield**  
Improves the aesthetics of the installation and prevents the pool cleaner's skirt from being trapped behind the light.

**Easily replace your existing pool halogen lights.**

BriteStream Light can easily replace an existing halogen light, slashing your pool light electrical power requirements by 85%. BriteStream LED Replacement Kit is supplied with a Retrofit Connector (IP68) and an Universal Pool Light Adaptor.

**Universal Pool Light Adaptor**  
The Universal Pool Light Adaptor is designed to adapt the Britestream to the following light fittings.

- AQ Aquaquip
- SE Spa Electric
- SW Swim World
- PR Pool Rite
- ST Stroud

**Technical Specifications**

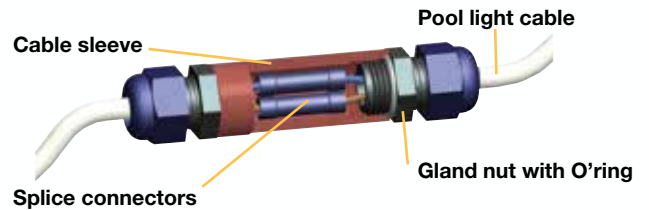

Zonal Distribution	Power Usage	Input Voltage	LED Life
0 to 180 degrees	15Watt	12V AC	70,000 hours

**Warranty**

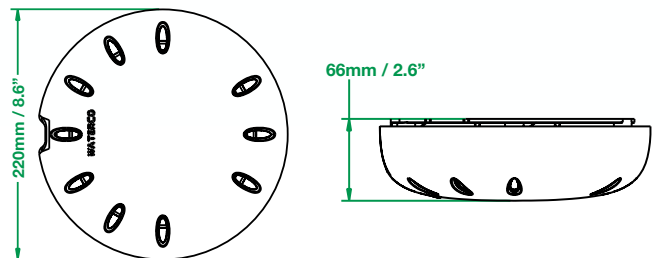

BriteStream LED lights are covered by a comprehensive 2 Years warranty.

**Retrofit Connector (IP68)**

Easy to use Retrofit Connector, simply crimp both connections with the splice connectors, slide the cable sleeve over the connection and hand tighten the gland nuts.

**Dimensions**
