Manufactured from the highest grade of non corrosive materials and applying precision plastic injection moulding techniques, Thermoplastic filters are built for long lasting performance.

Easy Maintenance

Cleansing the filter simply requires turning the Multiport lever from the 'filter' position to the 'backwash' position.

Warranty

Waterco is proud to show its ultimate confidence in its range of Thermoplastic Filters by offering a 10-year* (5+5) tank warranty and 1 year warranty on all other components.

* Commercial applications attract a 5-year (1+4) tank warranty
