

RESIDENTIAL LADDER - MODEL LP

Model LP Deck Mount Ladder

Code	Description
PDA735	2 Step Ladder (with no fixings)
PDA736	3 Step Ladder (with no fixings)
PDA737	4 Step Ladder (with no fixings)

For pools with Vinyl Lining, also used on Rafts, Piers etc. As the decks will vary in thickness we do not stock bolts for this ladder.

SPECIFICATIONS

Model LP Deck Mount Ladder

The Pooldeck LP ladder has been designed for above ground pools with a deck. The ladder is bolted to the deck, this allow the steps to hang down without touching the walls. Fitted with white moulded treads reinforced with stainless steel rod with dome nuts for extra strength, 500 mm wide c/c.

Material: Stainless Steel 38mmø mirror polished.
